This booklet summarizes the basic Medicare benefits and all the extra benefits provided by the Inter Valley Health Plan Service To Seniors (HMO) (H0545-001) and OC Preferred (HMO) (H0545-013).
Summary Of Benefits January 1, 2016 - December 31, 2016

This booklet gives you a summary of what we cover and what you pay. It doesn’t list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the “Evidence of Coverage”.

You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan (such as Inter Valley Health Plan Service To Seniors (HMO) and Inter Valley Health Plan OC Preferred (HMO)).

Which doctors, hospitals, and pharmacies can I use?
Inter Valley Health Plan Service To Seniors (HMO) and Inter Valley Health Plan OC Preferred (HMO) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan’s provider and pharmacy directory at our website (www.ivhp.com).

Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?
Like all Medicare health plans, we cover everything that Original Medicare covers - and more.

- **Our plan members get all of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.**

- **Our plan members also get more than what is covered by Original Medicare.** Some of the extra benefits are outlined in this booklet.
We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, http://www.ivhp.com.
- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of five “tiers.” You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug’s tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Initial Coverage, Coverage Gap, and Catastrophic Coverage.
